Dear Colleagues!

We invite you to take part in the international scientific and practical conference “Independence of the Kyrgyz statehood and new challenges of our time in education and science”, which will be held at Talas State University dedicated to the day of memory of history and ancestors, as well as to the 120th anniversary of the state and socio-political figure Torokul Aitmatov.

The conference will take place on November 10, 2023 in a hybrid format (online and offline). Address: 25 K. Nurzhanov Alley, Talas State University (TalSU), Talas, 720100 Kyrgyz Republic

Main directions of the conference:

- Natural and technical sciences;
- Social and economic sciences;
- Humanitarian sciences;
- Physical and mathematical sciences;

- Pedagogy and psychology;
- Innovative teaching technologies.

Requirements

Texts of articles should be sent to the email address ilim.talsu2017@gmail.com, deadline November 2, 2023. The conference materials will be published in a special scientific journal of the educational institution.

I. Authors must indicate the direction of the article. The conference materials will be published in the journal “Vestnik Kyrgyzstan”. Requirements for the article, including a list of references, the main page of the article with an explanation (UDC; full name of each author; title of the article), annotation, keywords and theme of the article (must be in Kyrgyz, Russian and English). The total volume including literature should be 6-12 pages.

The article must be written in the electronic version using Times New Roman #12 1.5 spacing, 1.25 paragraphs, at a distance of 2 cm from the edge of the index. The reference should be in the form [5, 67p], more precisely, the number of the literature from which the information was obtained and its page number should be indicated. If the pages are not displayed, the link can be specified as [5]. The UDC (Universal Decimal Classification) must be indicated.

An article should have review. The review must be obtained not from the supervisor, but from well-known experts in the field of the relevant science. The review is certified by the stamp of the organization in which the reviewer works. The pages of the article are placed in order, with a list of references at the end of the article. The list of references must be no less than 5 and no more than 15. The editors have the right to shorten and correct the article.

II. The main result of the article is an annotation and keywords, the content, accuracy and quality of translation of which into Kyrgyz, Russian and English must fully comply with the requirements. The annotation should be at least 80-100 words, keywords at least 7-8 words.

III. Information about authors. Information about the author(s) of the article must be in the language in which the article is written. The author's full name, academic degree, place of work and position, telephone number, email address must be indicated in full; There should be information about one of the authors to whom the editor-in-chief can direct questions or corrections.

Full name	Zhusupova Moymol Moldobekovna
Academic degree	Candidate of Historical Sciences
Academic title	Associate Professor
Position at work	Head of the Department of History and Social Sciences
Place of work. Address	Talas, KR
Phone number	+996701254218
E-mail	mojmol@mail.ru

In the margins they write:

- UDC;
- Name;
- Full name of the institution where the author works (indicating the city);
- E-mail address.

The title of the article is typed in bold in the language in which the article is written. If the authors are from different institutions, then an explanation is written before the author and institution: annotation; keywords; article; literature; Internet documents (electronic index of official periodicals); dissertations and abstracts; a unified format for processing bibliographic references; books; magazines.

The author is responsible for the quality, style and content of the article.

We invite you to take an active part in the conference and ask you to send the following to the organizing group by November 2, 2023:

- the form of information paper;
- electronic text of the article, written in accordance with established requirements;
- scanned review (with the institution's stamp) and author's signature.

IV. All accepted articles are checked for anti-plagiarism. Articles do not meet the requirements will not be published. The recommended originality is 70%.

Best regards, conference organizers.
